

# SOILCARE Meeting information

## 1. Dates

May 29<sup>th</sup> – June 1<sup>st</sup> 2018. On the 1<sup>st</sup>, there will be an optional excursion to the study site, Askov Experimental Station.

## 2. Location

Billund, Denmark

## 3. Venue

Legoland Conference Centre (LCC)  
Askov Experimental Station (ASK)

## 4. Stay

The participants are required to book their own hotel room.

LCC is in downtown Billund, 3 km away from the airport. The following recommended hotels are within walking distance from the venue:

### **Legoland Hotel** (twin building to LCC)

70 rooms have been reserved until April 30<sup>th</sup>, 2018. After that date the offer cannot be warrantied

DKK 1025 per night, single room  
DKK 1225 per night, double room

Book here:

<https://booking.legoland.dk/reserve/en/block/310518EUPR?Arrival=2018-05-28>

### **Legoland Village** (3 minutes' walk from the venue)

DKK 915 per night, single room  
DKK 1115 per night, double room

Book here:

<https://booking.legoland.dk/reserve/en/block/290518LAND?Arrival=2018-05-28>

In case of additional questions about booking at Legoland Hotel/Village, write directly to: [reservation@legoland.dk](mailto:reservation@legoland.dk)

### **Zleep Hotel Billund Airport (2,4 km from the venue)**

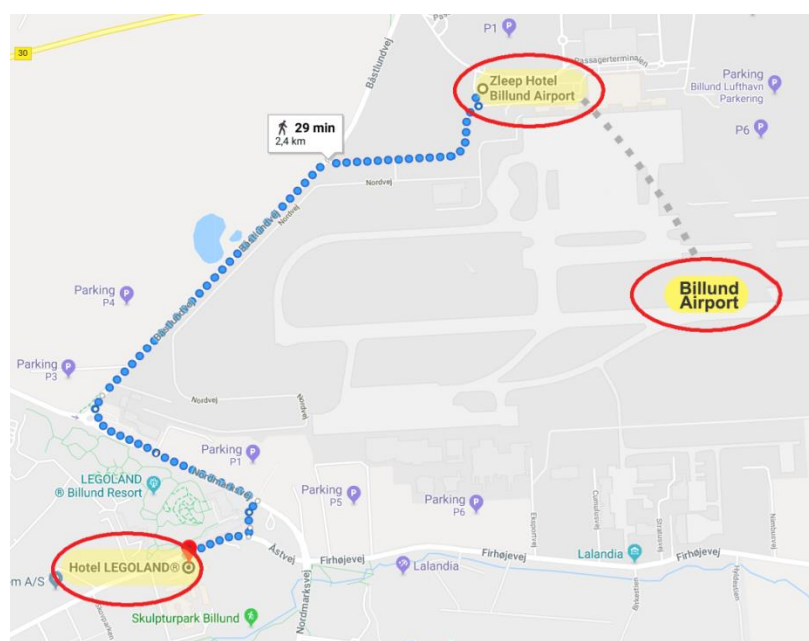

If you prefer this hotel you should book ASAP, as it was not possible to reserve a number of rooms for SoilCare participants

DKK 898 per night, single room

Book here, adding an Offercode "Soilcare":

<https://www.zleephotels.com/en/hotel/billund-airport/>

All prices include breakfast.

## **5. Food**

There are restaurants in the hotels. Lunch will be at the venue. On Tuesday, there will be an industry-sponsored dinner and on Wednesday the official joint meeting dinner.

Persons with allergies or special food wishes are asked to inform LCC. Buffets are including vegetarian and vegan dishes.

On Thursday, after the meeting, there will be a possibility for visiting Legoland Park. Entrance to Legoland is included in the meeting fee.

## **6. Travelling**

### **International travel options**

Recommend airport: Billund (BLL).

## **Local travel**

Both hotels are within walking distance of the airport (see the map above). There is no shuttle service provided. If you do not want to walk, you can take a taxi. This should cost no more than DKK 150.

## **7. Local Money**

Local currency is Danish Krone (DKK). EUR 1  $\approx$  DKK 7,50

ATMs are at the airport and in the Legoland Resort.

It is possible to pay with credit card in most of the places in Denmark (only buses require cash).

Regarding meeting costs, LCC allows paying both with credit card and with EUR - but in such case, the change is going to be given back in DKK.

## **8. Local Weather**

The weather in Denmark is quite unpredictable ☺. In the last few years May has been pretty warm, with sunshine and temperature reaching 20°C. But the minimal temperature can be even 10 °C. The good news is that the spring (nature) is at its height and the sun goes down around 21:30. Usually it's pretty humid, with daily rain showers.

Recommended clothing: lightweight with rainwear.

## **9. Excursion**

There is an optional excursion on June 1<sup>st</sup>.

The excursion is a one-day trip to Askov Experimental Station (Aarhus University) to see the 124 years long-term field experiments. The buses will leave from the Legoland and Zleep hotels at 8:30 and depart back to the hotel/airport at 15:00 and 16:30.

Please bring sturdy shoes and umbrella/raincoat as rainy weather is possible.

"Sustainable lunch" with local food and "recycling brew" will be provided.

## **10. Meeting costs**

There will be a fee to cover the costs of meeting room, coffee breaks, lunches, and 1 joint dinner (the second one is sponsored by **AGROINTELLI** and external industrial partners) and entrance to Legoland on Thursday evening. The fee for the 3-day meeting is DKK 1985 and it

should be paid directly at LCC (cash, bank card, credit card). Receipts will be issued. The fee has been negotiated with LCC based on the full programme. This means that everybody will need to pay this amount, also if they join only part of the meeting.

Excursion is going to be free of charge, thanks to sponsoring by AGRO**INTELLI** and partners.

## **11. Contact**

The meeting is organised and hosted by AGRO**INTELLI** and Aarhus University. For practical questions contact: Kamila Smolucha, AGRO**INTELLI**, [kasm@agrointelli.com](mailto:kasm@agrointelli.com), tel. +45 5237 9916

Alterra is responsible for the daily program of the meetings: Rudi Hessel ([rudi.hessel@wur.nl](mailto:rudi.hessel@wur.nl), tel +31 317 486530), Erik van den Elsen ([erik.vandenelsen@wur.nl](mailto:erik.vandenelsen@wur.nl), tel +31 317 486533).
